Library science

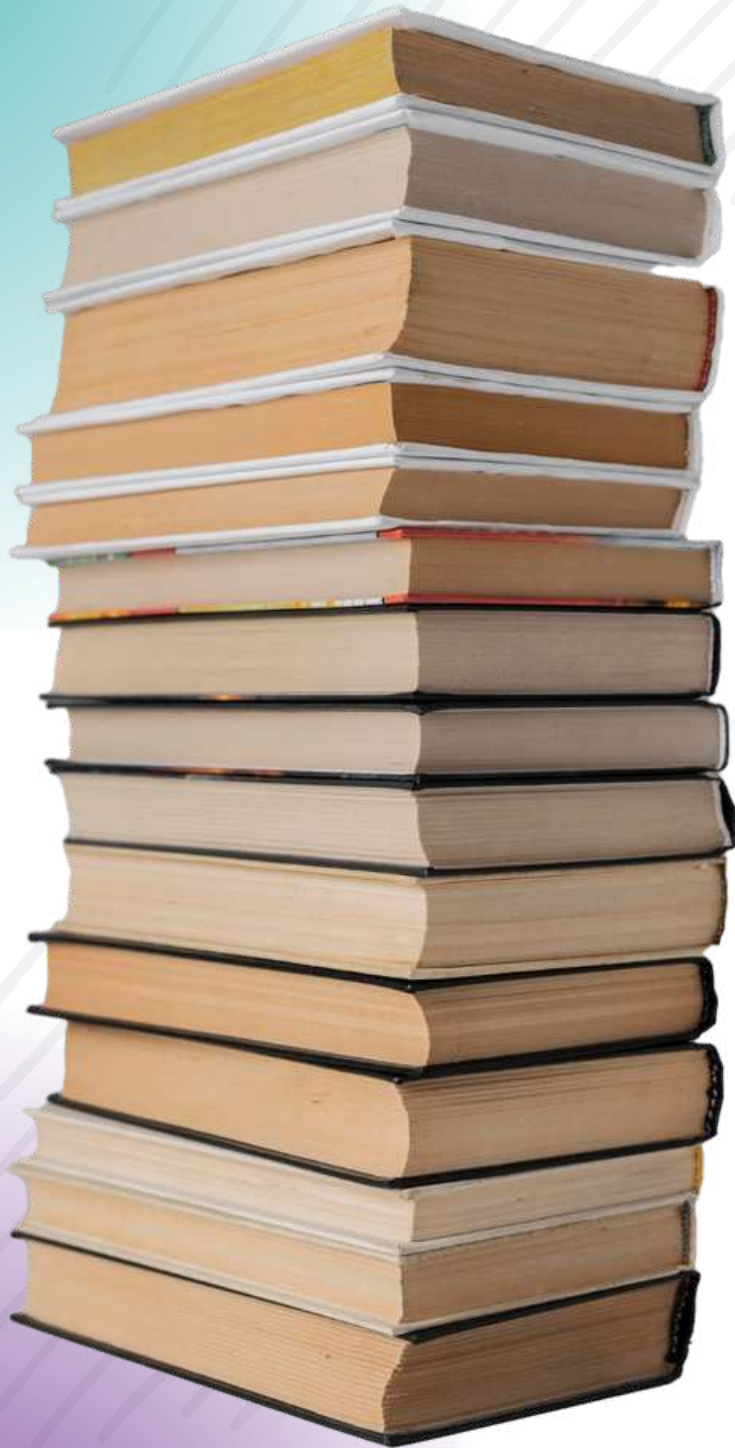

Dictated by:

Rosario Valencia

Linamaría Pinzón Valencia

A woman with short brown hair, wearing a white cardigan, is sitting at a desk in a library. She is looking down at an open book on the desk, with her finger pointing to a page. In the background, there are bookshelves filled with books.

Each course consists of:

Duration

Synchronous hours: 5

Asynchronous hours: 5

Total hours: 10

Modality: Virtual and remote

Attendance certificate

OpenSky Information S.A.S will grant a certificate of attendance to participants who meet the previously defined training requirements and who have completed at **least 85%** of the 20 scheduled hours (17 hours).

COURSE

Creation and development of authorities

The registration of authorities is one of the most relevant processes for the unification and standardization of the access points that the automated catalogs have, thanks to the identification of a data set, the access points to the information are facilitated.

This process makes it possible to demonstrate the level of investigation carried out by the information units.
